- Claims Submission & Follow-Up
- Denial Management & Appeals
- Payment Posting & Reconciliation
- ICD-10, CPT & HCPCS Coding
- HIPAA & Regulatory Compliance
- Remote Billing Operations
- KPI Reporting & Analytics
- Payer Relations & Escalation Resolution
- Team Training & Mentorship

PROFESSIONAL EXPERIENCE

Sr. Billing Executive — MD Sharks (Remote)

Nov 2023 – Present

- Manage end-to-end revenue cycle operations for multiple healthcare provider accounts, spanning eligibility verification, authorization, claims submission, and payment posting.
- Perform pre- and retro-authorizations tailored to each practice's specialty requirements, reducing the risk of claim denials at the point of submission.
- Submit and track electronic claims, proactively resolving rejections to accelerate reimbursement and protect cash flow.
- Conduct in-depth denial analysis to identify root causes and implement corrective actions that improve first-pass claim resolution.
- Maintain accurate patient billing records and ensure timely, compliant payment posting and reconciliation.
- Partner with clients and insurance carriers to resolve billing discrepancies and strengthen long-term payer relationships.
- Design and roll out process improvements that streamline remote billing workflows and boost team productivity.
- Track and report key billing KPIs to leadership, supporting data-driven decisions on revenue performance.

Medical Billing Specialist — Integrity Healthcare Billing (On-site)

Apr 2022 – Oct 2023

- Verified patient eligibility and coordinated benefits to ensure accurate, timely claims processing.
- Executed pre- and retro-authorizations in line with practice-specific specialty requirements.
- Submitted claims and followed up on outstanding balances, reducing overall denial rates.
- Managed complex denial cases end-to-end, including appeals and payer escalations.
- Processed patient billing, insurance payments, and account reconciliations with a high degree of accuracy.
- Collaborated with insurance providers and internal teams to uphold billing accuracy and compliance.
- Trained and mentored junior staff on billing software, workflows, and compliance procedures.
- Maintained full compliance with HIPAA regulations and internal billing standards.
